

## Baltic Event and Co-Production Market

11. Tallinn Black Nights Film Festival, November 15 – December 9, 2007

6. Baltic Event: December 2 – 6, 2007

3. Co-Production Market: December 2 – 4, 2007

**Deadline: 15.9.2007**

**Baltic Event** consists of the following sections:

- **Screenings:** the newest features from Estonia, Latvia and Lithuania are screened for international TV and film professionals – invited are sales agents, distributors, TV buyers and festival directors.
- **Coming Soon:** program introducing film projects under development and in production with the purpose to meet the requests of the co-financiers and distributors to see the projects in their early stage.
- **Co-Production Market:** projects from the newest members of the European Union, Russia and Scandinavia are represented. In the centre of the Co-Production Market are **one-to-one meetings** between project representatives and potential financiers that are set up in advance by the market organisers.

Participation in Baltic Event Co-production Market gives the producers an efficient possibility to create or to extend their international network. Baltic Event has become an efficient working market not only for Baltic region, but also for Scandinavia and Central Europe as well as Russia.
