

## Holland Film Meeting

*Netherlands Film Festival, September 26 – October 5, 2007*

20. Holland Film Meeting: September 27 – October 1, 2007

**The Holland Film Meeting is a sidebar of the Netherlands Film Festival** and aims at international and national film professionals.

In 2006, the Holland Film Meeting consisted of the **Benelux Screenings (BS)**, the **Netherlands Production Platform (NPP)**, **Workshops**, the **Variety Cinema Militants Programme** and the **Binger-Screen International Interview**.

### Netherlands Production Platform (NPP)

The NPP aims at Dutch and European feature film producers. Its objective is to encourage, promote and initiate the co-production of European feature films. The Platform is designed as a promotional and knowledge-providing event in which European producers and filmmakers/screenwriters present their new projects. A maximum of 25 film projects is selected.

*Project criteria for Netherlands Production Platform:*

- **The feature film project** has a minimum length of 85 minutes;
- Synopsis and/or treatment are available in English;
- The project has Dutch/Flemish elements (either financial or artistic);
- Some local financing is in place;
- The producer (and/or director/ writer) must present the project;
- Applications must be made by the producer;
- The producer (and/or director/writer) will attend the Binger Film Institute pitching training session.

**The Netherlands Production Platform covers travel and hotel expenses for 2 persons per selected European project.**
